Inside herringbone back nec tape
Self fabric half moon at back neck
Slit at side seams with heavy herringbone facing
Set-in sleeve

Piqué polo shirt made from 220 gsm fabric, crafted in 100% combed and ring-spun organic cotton for a textured, uniform surface, soft hand feel, and excellent breathability. The regular fit balances ease and structure for everyday wear.

Flat knit collar and cuffs retain their shape and provide a clean, polished look. Two-button placket with white buttons for a classic, versatile style. Herringbone tape inside the neckline and a self-fabric half-moon at the back reinforce high-friction areas and elevate the internal finish.

Set-in sleeves create a defined shoulder line, and side vents reinforced with herringbone tape offer ease of movement and durability.

Standard production tolerances: $\pm 5\%$ in measurements and weight.
