READY TO DYE COLLECTION

This collection has been explicitly pre-treated for dyeing, ensuring uniform and optimal color absorption.

Its preparation allows the application of any dyeing technique or shade without limitations, providing a versatile base for unlimited customization and creative freedom. Designed to deliver high-quality results in custom dyeing.

Regular T-shirt made from 185 gsm single jersey, crafted in 100% combed and ring-spun organic cotton for a smooth surface, soft hand feel, and light drape.

1x1 ribbed collar with single stitching ensures good shape recovery and a clean profile. Self-fabric back neck tape reinforces the neckline and enhances the finish. Wide double-needle stitching on sleeves and hem provides durability and a crisp look.
