Piqué polo shirt made from 220 gsm 100% combed and ring-spun organic cotton with a vintage wash effect for an authentic texture, soft touch, and high breathability. The medium fit balances ease and structure for everyday wear.

Flat knit collar and cuffs retain their shape and create a clean silhouette. Two-button placket with white buttons for a classic and versatile look. Herringbone tape inside the neckline and a self-fabric half-moon at the back reinforce high-friction areas and elevate the internal finish.

Set-in sleeves provide a defined shoulder line, while side vents reinforced with herringbone tape offer ease of movement and durability.

Standard production tolerances: $\pm 5\%$ in measurements and weight.
