- Metal eyelets with tone-on-tone lacquered finish
- Round drawcords in matching body colour
- Recycled plastic drawcord tips
- Set-in sleeve
- Kangaroo pocket at front

Hooded sweatshirt made from 350 gsm brushed fleece, crafted in 80% combed ring-spun cotton and 20% polyester for a soft touch, excellent heat retention, and dimensional stability. The regular fit balances ease and structure for everyday wear.

Lined hood for added volume and comfort; tone-on-tone round drawcord with recycled plastic tips and metal eyelets for durability; set-in sleeves for a clean shoulder line; 1x1 rib at cuffs and hem to hold shape.

Self-fabric back-neck half-moon reinforces a high-friction area.

Standard production tolerances: $\pm 5\%$ in measurements and weight.
