

Compact design

Compact and minimal design, designed to take up little space.

Recycled merino wool

Made from recycled merino wool to give new value to production scraps while reducing environmental impact.

NANTAI

Lightweight and comfortable neck warmer made from 100% recycled Merino wool, a natural yarn that ensures comfort and performance. Thanks to its thermoregulating properties, it absorbs moisture, is antibacterial, and helps neutralize odors. A comfortable item, also thanks to its flat seams, that can also be worn as a beanie or headband, adapting to different styles and situations.
