# WESTLAKE

## PERFORMANCE HYBRID JACKET

Westlake represents a new generation of hybrid jackets. Lighter, cleaner, and more contemporary in expression. Designed for versatile wear, it combines a padded, weather-protective front made from recycled fabric with soft, stretchable fabric at the sleeves and back, allowing effortless movement and comfort. Crafted with Sorona® Aura padding and subtle detailing, Westlake delivers just the right balance between warmth and style, making it a refined choice for cross-seasonal layering and modern everyday living. The women's version features a low-cut collar and a straight hem for a more feminine look.

**Outer fabric** Front Shell: 86% GRS certified recycled Polyamide (Nylon), CU1038206 / 14% Spandex.
