SOPHISTICATED LIGHTWEIGHT DOWN JACKET

Combining thoughtful craftsmanship with advanced textile engineering, Avalon is a sophisticated down jacket designed for reliable warmth and everyday versatility. Crafted with a durable shell made from recycled polyester and spandex, treated with a water-repellent finish, Avalon offers both weather resistance and a refined, athletic silhouette. Inside, duck down and feathers deliver lightweight insulation with 650+ fill power, all contained within innovative Loom Woven channels that prevent feather leakage and eliminate traditional visible stitch lines for a clean, streamlined finish and long-term warmth. The men's version has elasticated cuffs and hem, and a ribbon at the top of the collar.
